ARASH LAW
INJURY LAWYERS

Initial Loss of Control Versus Later Contact:
Discrepancy Register

Record each account separately. Enter "unknown," "not observed," or "not yet obtained" where information is unavailable. Update the register as new records become available. Keep entries within the visible space for printing.

Information to Record	Initial Loss of Control	Possible Later Contact
Account or document source		
Event stage described		
Observation versus inference		
Vehicle damage or scene support		
Witness timing and viewpoint		
Unresolved conflict and next record to seek		

For educational purposes only. Completing this worksheet does not establish an attorney-client relationship.
