Your Delivery Accident Reconstruction Tracker

Use this worksheet to reconstruct the timeline of your delivery accident and understand which insurance policy or injury claim may apply.

1 Time of Your Last Delivery

Write the time you completed your most recent drop-off:

_____ ☐ AM ☐ PM

2 App Status at the Time of the Crash

What was your app showing when the collision happened?

☐ Online / Available ☐ On a delivery

☐ Between deliveries

☐ Logged off ☐ Unsure ☐ Other: _____

3 Subsequent Orders

Did a new delivery request come in, or did you accept another order before the crash?

☐ Yes ☐ No ☐ Unsure

If yes, what time? _____

4 Where You Were Headed and Why

Tell us where you were going at the time and the reason (e.g., next pick-up, next drop-off, returning to a busy area, going home):

_____

_____

5 Exact Time and Location of the Crash

Write the exact time of the collision: _____

☐ AM ☐ PM

Where did it happen? (street, city, cross streets, etc.):

_____

Helpful Records to Save

Keep copies of anything related to your deliveries and the crash. These records can help support your claim.

- ☐ **App Screenshots:** App status, active orders, earnings, and trip history.
- ☐ **Delivery Details:** Time stamps, pick-up and drop-off addresses.
- ☐ **GPS & Maps:** Route history showing exact location and travel path.
