# What Changed at the Property?

*Fillable worksheet for your injury lawyer*

Use one entry per observation. If you're unsure of the date, write "approximate" or "unknown."
Keep out of unsafe areas. Use records you already have or can get safely.

**Example** | Before the collapse, I reported a ceiling stain. The property manager may have the message.

## Entry 1

**What did you observe?**

**Date or approximate date**

**What record or witness can help?**

**Who may have the record?**

**What changed?**

**What do you want to ask your lawyer?**

## Entry 2

**What did you observe?**

**Date or approximate date**

**What record or witness can help?**

**Who may have the record?**

**What changed?**

**What do you want to ask your lawyer?**

Print or save another copy if you have more than two observations.
